*You must notify our office at the time of arranging the cremation should ashes be required in advance of the normal 48 hour period. There will be a charge of £55.00 for this service which should be added to the cremation cheque. (Please note- ashes will normally be available 48hours after the cremation)

**** All services must be completed by half past the hour.**

This policy ensures that each service is special, is conducted in a timely manner and does not inconvenience the following services.

Please Note: Timings and funeral service planning should take into account that by 45minutes past the hour, all mourners, the hearse and limousines must have vacated Roucan Loch. **This is the sole responsibility of the Funeral Director in charge.** If a large number of mourners are in attendance, elements of the service may need to be removed to allow the service to conclude by half past the hour and it may not be possible for mourners to meet and greet at the end of the service. Failure to comply may result in Roucan Loch imposing a charge to the Funeral Director. This money will be given to local good causes.
